## Geographic distribution

2025 Geographic Distribution of Pacha Associates' Work

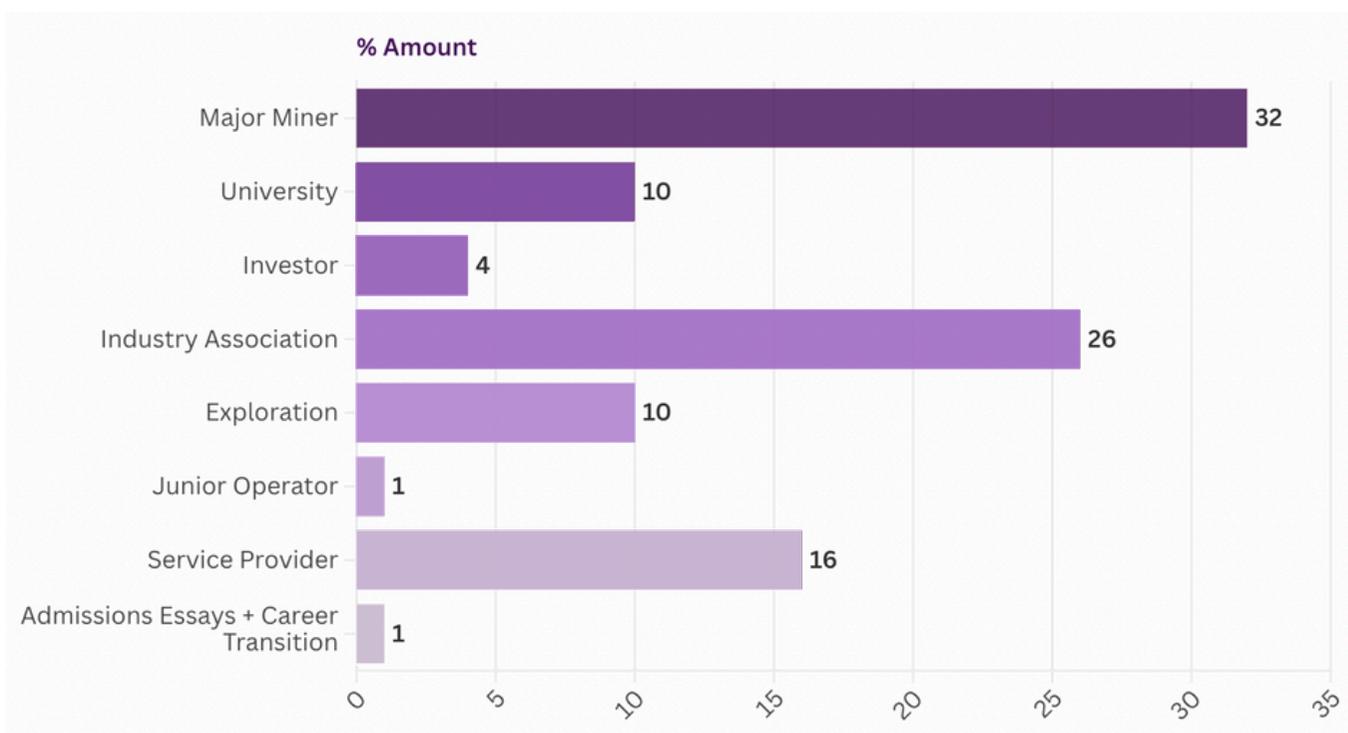

In 2025, Pacha Associates delivered work across South America, the United States, and global initiatives, reflecting a growing international footprint.

Our work spanned multiple regions, combining deep regional expertise with an increasingly global scope.

## Type of clients served

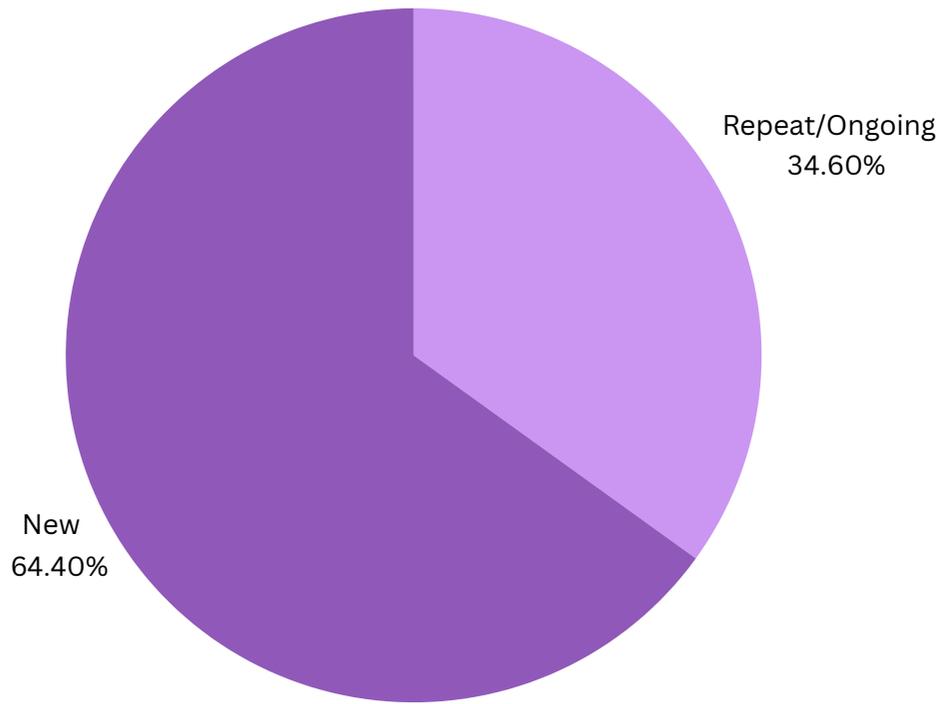

2025 Revenue by Client Type (%)

Clients include major mining companies, industry associations, service providers, and academic institutions.

## New business versus repeat

New Business Versus Repeat (%)

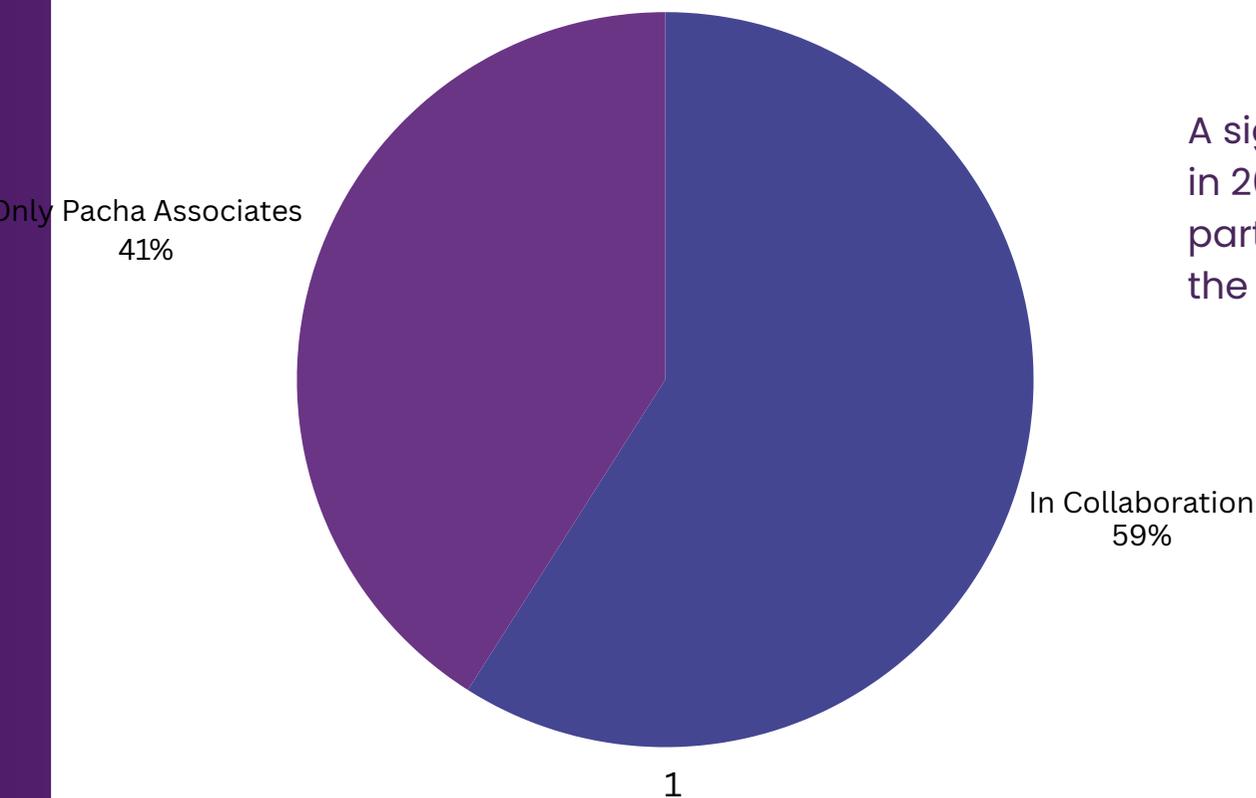

In 2025, Pacha Associates combined new business development with a solid base of repeat and ongoing clients.

This balance highlights both market growth and long-term client trust.

## Work in collaboration versus only Pacha Associates

2025 Work - In Collaboration versus Only Pacha Associates (%)

● In Collaboration ● Only Pacha Associates

A significant share of Pacha Associates' work in 2025 was delivered in collaboration with partners, alongside projects led exclusively by the Pacha team.
